N. B. In the foregoing account there has been paid \$2,986 69 of debts due in former years, and \$1900 06 paid John Gregory, balance of account; the support of the Poor this year has cost \$10,307 90—that is, \$5,807 90 paid, and about \$4,500 outstanding debts. There is due from the State Treasurer for support of its Paupers the past year \$3096 38. Several small accounts against Towns, and the sum of \$515 87 in the hands of the Chairman. The claims against the Overseer's department, (including money borrowed of the Phoenix bank,) amount to about \$5,500.

The increased number of persons requiring assistance on account of the pressure of the times, and several necessary repairs, &c. at the Almshouse establishment, have increased the expences of the Overseer's department, so that there is a deficiency of about \$1,800.

Respectfully submitted,

Charlestown, March 16th, 1840.

SAMUEL POOR, Chairman.
